

Can't Stand the Rain – in 'C'

I was thinking bout the [C]last time, that I saw you with your [Dm]head in the clouds.
Stepping over rainbows, [F] playing pinball with the [C]skies. [C!]

I'll be thinking bout the [C]first time, when we fell together [Dm]head over heels.
We thought it'd be forever, [F] guess it wasn't meant to [C]be. [C!]

Now I can't believe it's o- [Am]ver, I can't believe it's [C]gone.
Does forever mean for- [Am]ever, I don't wanna be a [G]lone

[C]I can't stand the rain now, it's falling with- [Dm]out you.
There's no one to run to, [F] when life gets me [C]down.
I can't bear the sunshine, when you're not be- [Dm]side me.
Cos it just reminds me, [F] how we used to [C]be. [C!]

People tell me just to [C]move on, get that boy out of your [Dm]head.
People tell me just to be strong, [F] but I'll just fall apart in- [C]stead. [C!]

Wish I could turn the [C]clocks back, we could fall in love a- [Dm]gain.
We could get back on the right track, [F] could be lovers till the [C]end. [C!]

Now I can't believe it's o- [Am]ver, I can't believe it's [C]gone.
Does forever mean for- [Am]ever, I don't wanna be a [G]lone

[C]I can't stand the rain now, it's falling with- [Dm]out you.
There's no one to run to, [F] when life gets me [C]down.
I can't bear the sunshine, when you're not be- [Dm]side me.
Cos it just reminds me, [F] how we used to [C]be.

[C]I can't stand the rain now, it's falling with- [Dm]out you.
There's no one to run to, [F] when life gets me [C]down.
