

Fire Brigade - 2

[C] Cast your mind back [Em] ten years to the [Bb] girl who's next to [A] me in school.
[Dm] If I put my [F] hand upon her [Dm] leg, she hit me [G] with a rule.
[C] Though tomorrow [Em] won't be long, you're gonna [Bb] have to play it [A] cool.
[F] You get fascinated by [G] her.... [F] she could set the place on [G] fire.

Run and get the [C] fire brigade, get the fire brigade.
See the buildings start to [G] really [C....] burn..
Get the [C] fire brigade..get the fire brigade.
If you jump you've got to [G] wait your [C....] turn.

[C] Friends all seem to [Em] laugh. .I fear I'm [Bb] apt to make a [A] compromise.
[Dm] Try to reas- [F] sure myself.....my [Dm] head must need some [G] exercise.
[C] Half past ten in the [Em] morning, she just [Bb] took me by sur- [A] prise.
[F] True, she set the place on [G] fire.... [F] you get fascinated [G] by her.

Run and get the [C] fire brigade, get the fire brigade.
See the buildings start to [G] really [C....] burn..
Get the [C] fire brigade..get the fire brigade.
If you jump you've got to [G] wait your [C....] turn.

[F] The lights a- [E7] cross the street throw a [Am] rainbow on her hair.
[F] I'd love you [E7] all to meet her..... [Dm] I'll be there, [G] I'll be there.

[C] Notice that my [Em] eyes have been a [Bb] misty place since [A] Saturday.
[Dm] Brings a feeling [F] we might need the [Dm] fire engines [G] anyway.

[C] Though tomorrow [Em] won't be long, you're gonna [Bb] have to play it [A] cool.
[F] You get fascinated by [G] her..... [F] she could set the place on [G] fire.

Run and get the [C] fire brigade, get the fire brigade.
See the buildings start to [G] really [C....] burn..
Get the [C] fire brigade..get the fire brigade.
If you jump you've got to [G] wait your [C....] turn.

(Fade out ukcs and singing until siren sounds....)
