----	----	---	----

I [Gm]met a man I wanted and I wanted more. We [F]got a little room upon the thirteenth floor.  
 He's [Gm]made my life a misery this man I adore. I [D]guess I'm just un-lucky in [Gm]love.

I [Gm]went outside to see him and I stepped on a crack.  
 He's [F]like a bad old penny only he don't come back.  
 My [Gm]heart is worse than broken it's a full on attack. I [D]guess I'm just un-lucky in [Gm]love.

I [F]looked into my mirror and it [Gm]smashed to shards. [D]Misfortunes mine for seven more  
 [Gm]years. Now [F]happiness and romance isn't [Gm]in the cards.  
 It [D]seems like I'm just destined for [D7]tears.

A [Gm]black cat walked across as we were lying in bed.  
 Now [F]every day that passes I'm in trouble with dread.  
 A [Gm]gypsy tried to help I didn't do what she said. I [D]guess I'm just un-lucky in [Gm]love.
